

My life and death on the cross were My gifts of love for you personally! You can honor Me this Christmas season by taking time for love. The festive decorations and material gifts will fade away, lost among the memories of many Christmases. But the love and care that you share and nurture will live on forever.

If you haven't yet experienced the essence of Christmas: Jesus' beautiful love, you can do so now, by inviting Him into your heart and life. You can pray a prayer like this:

"Jesus, Thank You for the amazing love You have shown by coming to earth and dying on the cross for me. I want to know You personally, to receive Your love and Your gift of eternal life. Please touch my life with Your love and help me to share that love with others."
